Dear Friends,

Welcome to the Year of the Bible! Throughout the year we will be celebrating 400 years of the Authorised (King James) Version of the Bible. This was the first Bible in English to be widely authorised for use in public worship. It's given rise to many familiar phrases that have entered into common use. Perhaps we take the Bible too much for granted. The Bible still outsells all other books; is available in more languages than any other, yet it's the least read No 1 best seller!

As Methodists we should be following John Wesley's example to spread Scriptural holiness, which partly means encouraging one another to read and apply the Bible. **Biblefresh** is a new initiative to help us do just that during this Year of the Bible. And what better time to start that with the Bible stories of the birth of Jesus! The challenge is to keep up the Bible reading through the year, and again **Biblefresh** is designed to provide a variety of aids towards this. You may like to join with others in accepting the challenge together – either by reading the whole of the Bible in one year using a Bible reading plan to help you do this – or why not try the E100 scheme – one hundred essential selected Bible readings?

I pray we will all be willing to take up the **Biblefresh** challenge and learn more from God's word. In that way, we can be sure of a Joyful Christmas and a Happy (and Blessèd) New Year!
