Greetings in Christ

I would like to say a big 'Thank You' to all who have been involved in making this plan happen. As you can see, we have a number of Local Arrangements, but far fewer than we would have had without the generous offers of time and commitment of preachers who have gone 'above and beyond' what is comfortable to share the Good News of Christ. Such mutual support and commitment has also been a mark of the circuit as we endeavour to support each other in God's work.

May we continue to support each other in prayer as well as practically as we strive to share God's love, appreciating each others gifts- God has given them *all* for us to use *together*. Especially, let us appreciate the gifts which God has given in Anthony and Rosalind and support them in prayer and love.

This Easter, we acknowledge the cost of love which Jesus offered to all the world. He paid it on the cross. Afterwards His friends needed the support of each other just to be, and when the time was right, to resume their ministry in the world. Let us support our ministers, preachers and others in their ministry to the world as we follow the LIVING CHRIST! He paid for love on the cross and ROSE AGAIN to bring HOPE to the WORLD.

Jem
