MARCH, APRIL, MAY 2015

Easter...

It is such a special time. Indeed, it is the highlight of the Christian Faith. If Jesus had not come back from the dead, then the "new religion" would have ended at the Cross. The fact that Jesus exited the tomb is what makes the Christian Faith unique.

Christ's resurrection speaks to us in our day and age which seems to be filled with so much pain, suffering, destruction and death. The world is such that we will experience all these bad / negative things; that is just the way that it is. Even the Son of God experienced it first-hand. And yet, Jesus overcame. In other words, the pain, suffering and death of this world does not have the last say. Jesus has the last say. By His resurrection He is saying that all death will come to an end and there will be life. A different life. A life of wholeness, wellbeing and peace. It was this experience of the living Jesus and the understanding that Jesus has overcome all bad / evil that resulted in the Christian Faith expanding through the faithfulness of Christ's disciples – even when death was a certainty for them.

May the resurrected Christ bring resurrection into our lives this Lent and Easter season,

Edwin
